

# Business Visit to Rani Plast or Elho

## TRIP #1 Rani Plast, Terjärv, ½ Day

Come and see Rani Plast, one the Nordic countries' largest suppliers of plastic film, and enjoy a good lunch in Terjärv. The morning is spent at Rani Plast, and includes coffee and a presentation on both the company and its manufacturing operations. After the factory tour you can enjoy a tasty lunch at Maggie's restaurant in Terjärv.

### Program

- Mid-morning coffee
- Rani Plast's operations and guided tour of the production line.
- Lunch

## TRIP #2 Elho Ab, Pedersöre, ½ Day

Learn more about the production of farming equipment at Oy Elho Ab. Mid-morning coffee and company presentation (production, machines, marketing, and sales) at Elho. After the factory tour we go to a restaurant, Uffes, in Purmo to enjoy a delicious lunch.

### Alternative to Elho

Visitors can also visit Blomqvist's Nursery in Lepplax and learn about the cultivation of apple trees while the rest of the group is at Elho. The bus then returns guests to the rest of the group for lunch at Uffes in Purmo.
